

**High support.  
High challenge.**

**Tackling Child  
Exploitation**

## HIGH SUPPORT

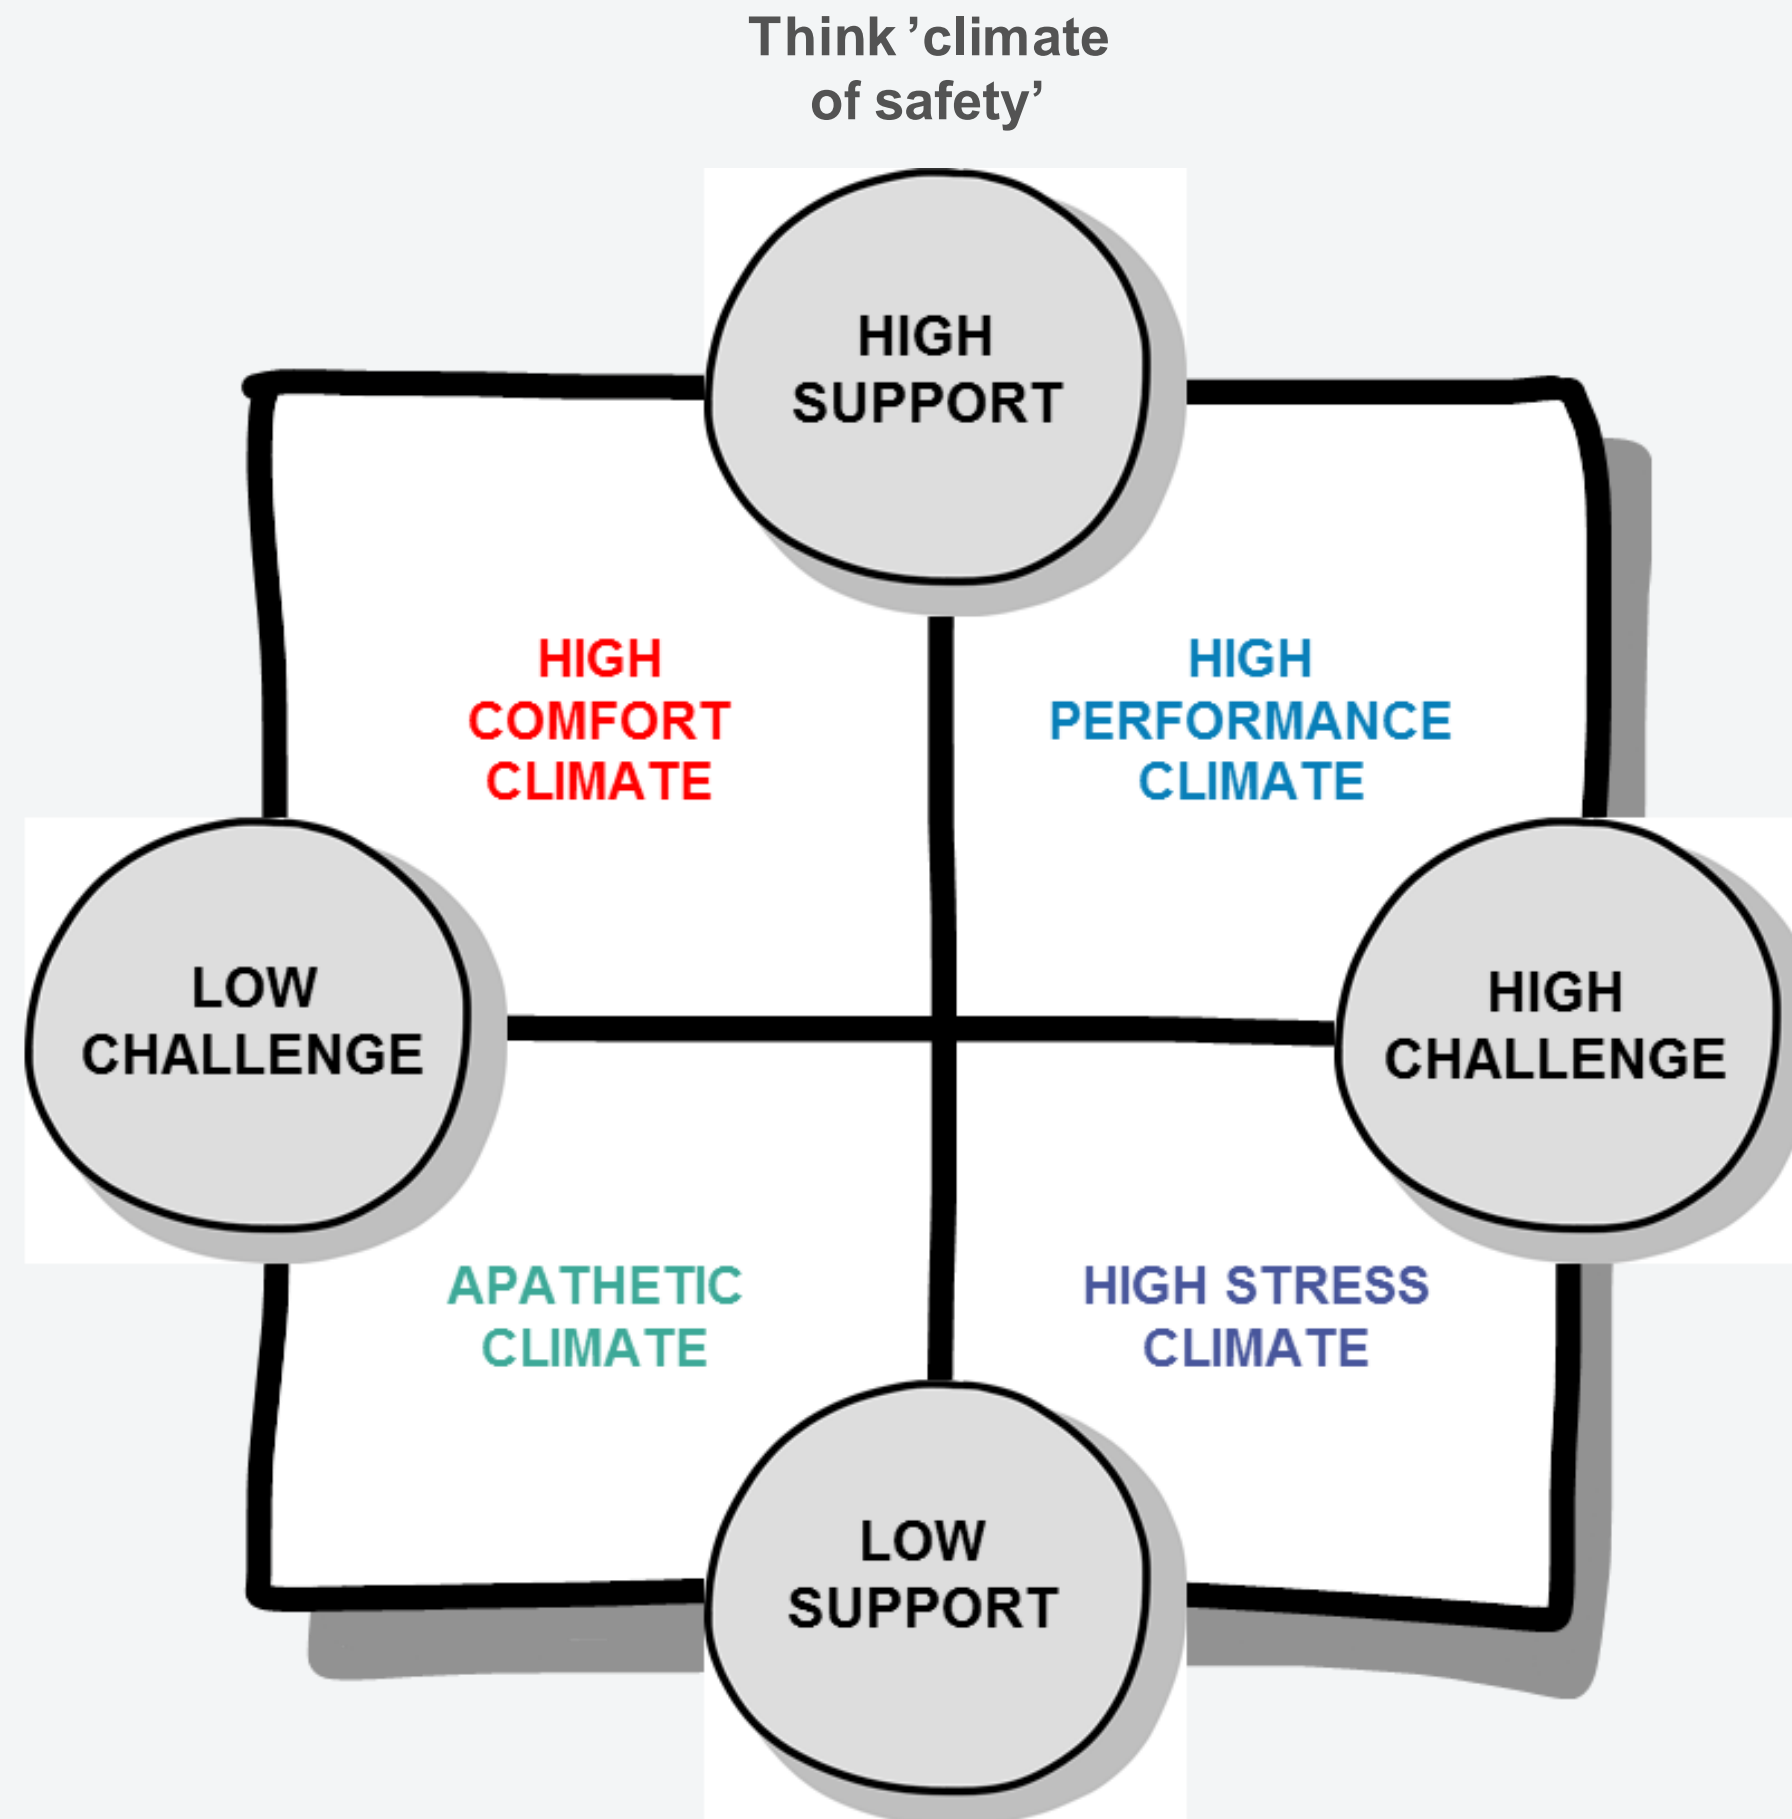

- Acknowledging people are (on the whole) trying their best
- Create the right conditions for them to progress

## HIGH CHALLENGE

- Partnerships having shared ambition
- Prompting, supporting, leading, nudging them to see things differently and in time, work differently

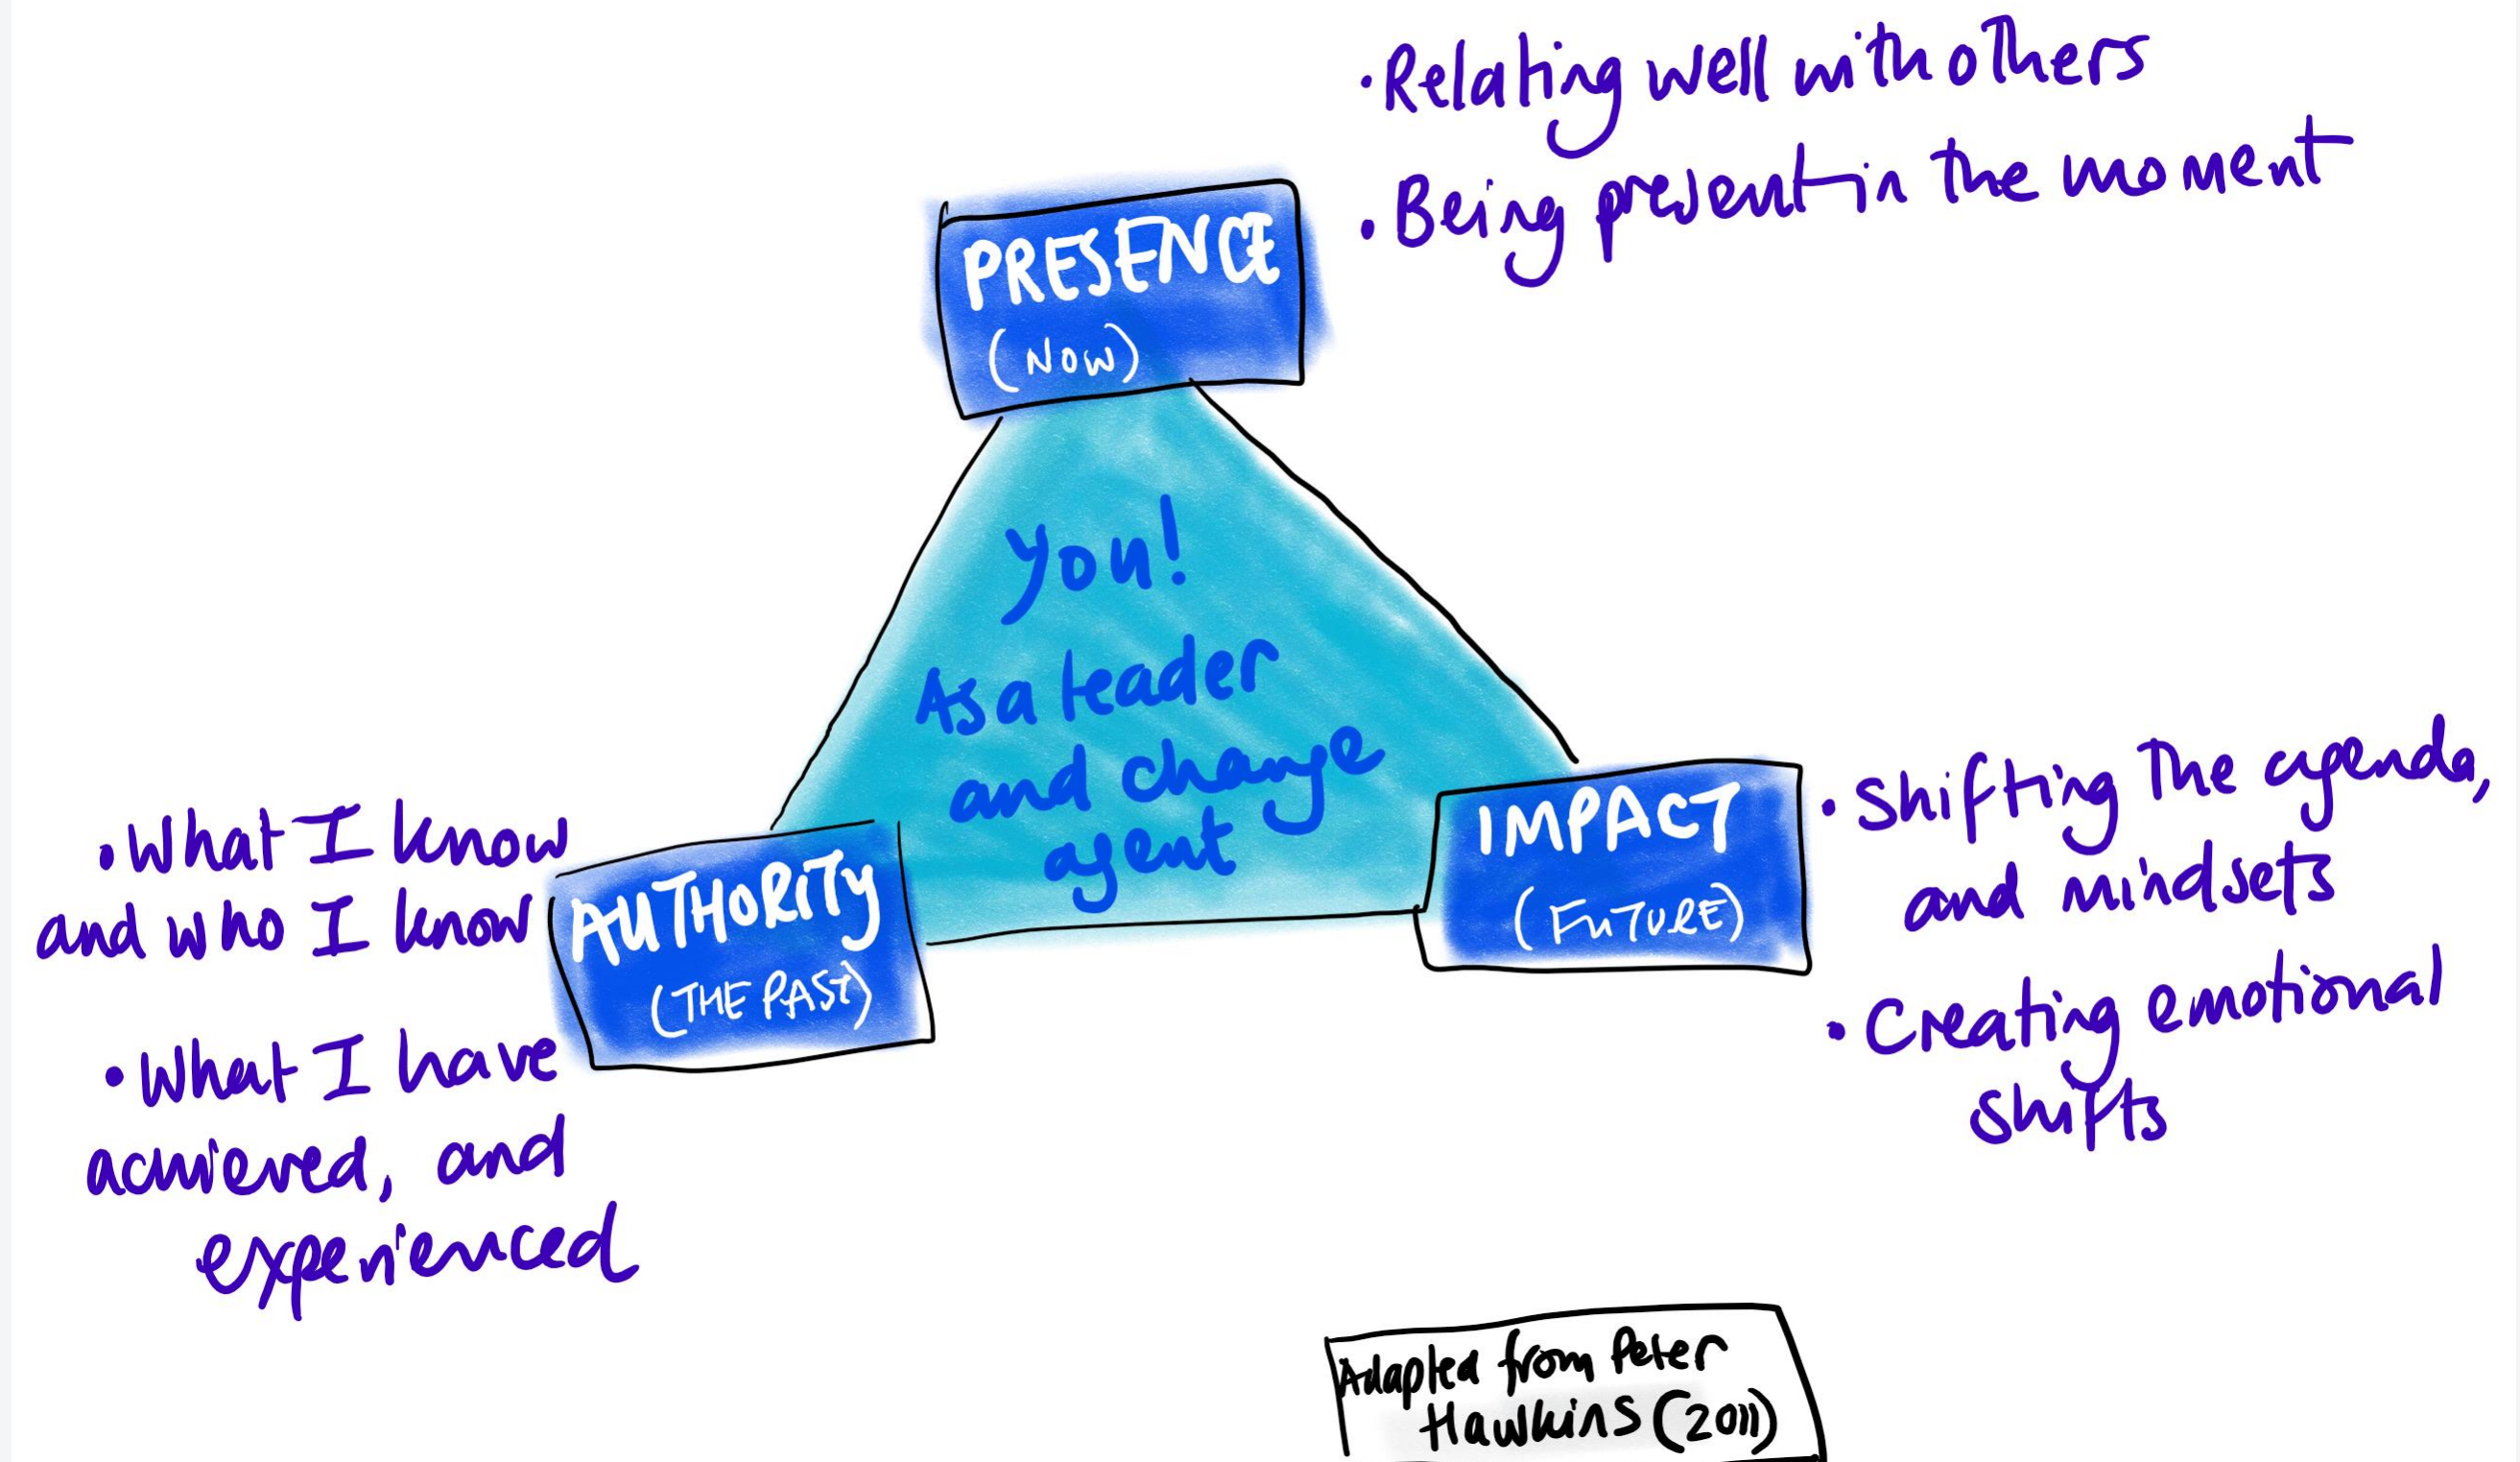

- Hold children, young people and families at the centre
- Be evidence-informed
- Work collaboratively
- Focus on capacity building
- Act transparently and ethically
- Work to restorative principles

Think 'personal accountability for results'

## Looking within ourselves as TCE leaders and agents of change
